(Oh no) Oh lately it's so quiet in this place  
You're not 'round every corner  
(oh no) Oh lately it's so quiet in this place  
So darlin' if your not here haunting me  
Im wondering...

Whos house, are you haunting tonight?  
Or whose sheets you twist  
Or whose face you kiss  
Whos house, are you haunting tonight?

(oh no) I don't think much about you anymore  
You're not on every whisper, oh  
(oh no) I don't think much about you  
But if you're not lurking behind every curtain  
Im wondering...

Whos house, are you haunting tonight?  
Or whose name you hiss  
Or whose clenching fists  
Whos house, are you haunting tonight?

Now whos house, are you haunting tonight?  
Or who can't resist  
Or whose cryin'  
Whos house, are you haunting tonight?  
Or whose name you hiss  
Or whose sheets you twist  
Whos house, are you haunting tonight?
