"Skyscrapers"

Skyscrapers, please forgive me.
I didn't mean a word I said.
Skyscrapers, I was just a tangled up in my own head.
And somehow in all the madness,
I thought that I was seeing straight.
It ain't always pretty, but it seemed there was no other
way.
And I guess all I ever loved was standing right before
my eyes, and I was blind.
So skyscrapers, please forgive me.
I stand here a penitent man.
Skyscrapers, I'll never look down again.
'Cause I guess all I ever loved was standing right
before my eyes.
Yeah, I guess all I ever loved was standing here all the
time, and I was blind.
You were right here all the time and I was blind.
