"This Will Be Our Year"

The warmth of your love's
like the warmth of the sun
And this will be our year
Took a long time to come
Don't let go of my hand
Now the darkness is gone
And this will be our year
Took a long time to come
And I won't forget
the way you held me up when I was down
And I won't forget
the way you said:
"Darlin', I love you"
You gave me faith and
you all know we're there
and we've only just begun
This will be our year
Took a long time to come
The warmth of your smile
Smile for me, little one
And this will be our year
Took a long time to come
You don't have to worry
All your worry days are gone
And this will be our year
Took a long time to come
And I won't forget
the way you held me up when I was down
And I won't forget
the way you said:
"Darlin', I love you"
You gave me faith and
you all know we're there
and we've only just begun
This will be our year
Took a long time to come
Yeah, we've only just begun
And this will be our year...
Took a long time
To-o-o...
Come.
