In the Garden of Eternal Love, where trees of life are  
made of Light  
In the Land of the Snow-white Angels  
Across the Ocean of Silver stars  
In the Heart of Golden Light  
You will find Elixir of Love

Thru the Gates of Eternity the light of your soul will  
reach the world unknown  
Thru the Pyramid of Time you will get to the world  
eternal  
On the wings of love, Unconditional Love, you will fly  
above all Heaven/clouds  
You're surrounded with the Light of Silver stars  
On the waves of Golden Light you will reach the Tree of  
Life

Elixir of Love Â– the sweet addictive potion/addiction  
Elixir of Love Â– the key to souls' salvation
