### FAIRYTALE

#### Verse 1

With your endless love you fill each day, you fill each  
night

With you I'm in love and I believe in fairytales  
again, again, again

You make me feel like I'm your star but I only shine  
because you gave me the light

I learn from you even when you don't say a word  
" you are my FAIRYTALE

#### Chorus:

Fairytale, fairytale

You make me live my fairytale

Fairytale, fairytale

You are my fairytale

#### Verse 2

With your endless love you fill my mind, you fill my soul  
With you I'm in love and I can fly, I can see miracles  
up in the sky

You are the greatest gift of all because you live with  
love, you give me my fairytale

The kindness of your heart shines through (uh-uh-  
uh) FAIRYTALE
