### Verse 1

I wish I could follow you into the land of angels,  
The Golden City in Heaven made of Love  
I dream I am there with you Â–  
In the angels' chambers, in the highest Heaven, made  
of Light  
Days are so long, nights are so cold Â–  
Without you, without you, without you...  
Oh, I am gonna meet you again in eternity...

### Chorus:

I will follow you in the Kingdom of Angels Â–  
The Kingdom of Angels made of gold  
I'll be there for you, in the Kingdom of Angels Â–  
The Kingdom of Angels made of pure souls

Kingdom of Angels... Sacred Haven...  
Kingdom of Angels... Treasure of Heaven...

### Verse 2

I wish I could fly like you to the distant stars  
On the wings of love, my Angel  
I dream I am there with you Â–  
In the Kingdom of Love, Made of silver stars, in Heaven  
Days are so grey, nights are so vain Â–  
Without you, without you, without you  
Oh, I am gonna see you again in eternity...

### Bridge

In the lost Kingdom of Angels Â–  
City in Heaven made of gold  
In the lost Kingdom of Angels Â–  
Treasure of Heaven of pure souls  
In the lost Kingdom of Angels  
A sacred place, a paradise...  
In the lost Kingdom of Angels  
A secret place of broken hearts...
