Leap of Faith

Verse 1

It will take some time to heal a wounded heart
But I promise you, I promise
In the end it'll be alright
Take a step with me, take a leap of faith
Don't be afraid I won't let you fall
Spread your wings and fly!

Verse 2

Take a breath with me; I will dry your tears
I'll turn them into oceans and sparkle them with
rainbows
So you know my love...
So you know God's love
I'll turn them into diamonds and decorate the
Heavens
So you know my love... So you know God's love

Bridge

Fly with me, my Angel! Take a Leap of Faith
Fly with me into the land of light, love, magic and faith

Verse 3

Build your dreams with me - step by step, brick by
brick
Have faith in me, I won't let you down
I'll give you all your heart desires
Share your fears with me, I will make them disappear
Your enemies will turn into friends
All is possible with a Leap of Faith

Verse 4

Spread my word of Love, touch your neighbor's heart
Make this night a warmer night, and today a brighter
day
Now you have my trust and I have your faith
Make this world a better place, so we all live in peace,
with love
Now you know you're loved!
Outro

Fly with me, my Angel! Take a Leap of Faith
Fly with me into the land of light, love, magic and faith
