Love or War?

Verse 1

Not a friend, not a stranger

Not a saint, not an angel

Not a friend, not an enemy...

Not at war, not at peace

Is it love, or is it hatred?

Not a gun wound but hurts like crazy!

Chorus:

Is it Love or is it War?

Tell me straight up now

Is it Love or is it War?

Is it over?

Is this how it feels when love is dead?

Verse 2

You're so close, yet so distant

I swear I can feel your breathing

100 miles away...

Not a friend, not a stranger

Not a saint, not an angel

Is this how you feel when friendship goes bad?
