Resurrect Me

Verse 1

I Â'm like a stranger in the both worlds Â– the one
above & the one belowÂ...

I canÂ't breathe, now that IÂ've lost my heart to an
Angel

I just wanna be alive againÂ...but IÂ'm stuck in between
the worldsÂ...

After I am gone, Angel, resurrect me on the 3rd day

Chorus

Resurrect me from the dead

Angel, save me from the living hell

Resurrect me, make my heart beat again

Keep the promise, resurrect me!

Get me thru another night, another day!

Verse 2

Every second of the day is draining lifeblood out of me
Every moment without you is such a pain making my
heart numb

Just wanna close my eyes, take my last breath and fly
away

I know this road too well Â– how it starts & ends

IÂ've seen love & life, death & pain

IÂ've been to both worlds before, I canÂ't take it
anymore!

ItÂ's like a torture what you do Â– youÂ're so cruel

Set me free, let me go
