You white motherfuckers could never, ever take over
You can't ever take over! [x2]
You shut the fuck up and you shut the fuck up
That's what the fuck you do!
(Could I get a beer, yo I need some beer)

You ain't using your phone, you ain't callin the cops
Cause nigga I'm the only king of the block
I'm the only black god, motherfucker!
And I came to rock the spot
When I throw at football pass at a bitch she miss
Ain't trying to be funny gonna use my fist
You can't use the family feud
You can't run it on a cuckoo!!!
You bring shame, I'll keep Ol' Dirty safe
Not locked up, cause I'll have your fuckin ass locked
up!
I'll stash you, lickin you down, light that blunt!
You ain't gettin one, two I do what I want!
If I got a problem, a problems got a problem til it's

Or I'ma slow down your dough!

[Chorus]

I master the demon demonic toys
Sting you with the venom kill your joy!
Bitches throw hands in the air like to be sodomized
