Yeah from the home of the Dodger, Brooklyn squad
WU-TANG! Killa beez on the swarm
Reign on your college-aXX disco dorm
For you to even touch my skill
You gotta go the one killa bee and he ain't for the kill

Verse One: MC Eiht

(That sXXX) that you gotsa ta fXXX wit
So stand back cause I don't hope my funk
Threw a bunk on your silly billy aXX and you too soft
I'm givin that brain a little tickle
I'm thicker than a buXX-lickin indo popsicle (popsicle)
Fool you know I'm too cold
I leave that ass hangin, hangin like a bXXXX on hold
Can suck my DING, you bring like static
I shoots like a fXXXXn automatic (automatic)
Classy ----- I'm in em
I'm deadly like a m-----n snake's, venom
So it's on bad 'cause these zaggin come around your

Verse Three: Ol Dirty Bastard

Most MC's get all too hyped
From the tent we'll rhyme and take you out with a tank
It's not MC just an MC bee
Weak on your words you never thought of by freein
Positive thoughts that I let come out
Ask the God A-SON I know what it's about
On the mic I'm a leader, school I was a reader
When it come to f---n I'm a strong good breeder
MC max and we worn out wax
Collect the cash money, without ever being taxed

And then I, got your attention
I'd like to mention, DON'T BATTLE ME at any rap
convention

Yo I'd like to give a shout out
To all you live zaggin out there
And also like to give a shout out
To all you punk ----- out there
I wanna give a shout out
To all the true black women, because I love you
And I also wanna give a shout out
To them fake a-- b-----s out there
Yaknowhatl'msayin?
