### Unconditional Love

#### Verse 1

I just wanna see you one more time  
I just wanna feel your love – one more time

You make my eyes shine; you make my heart smile  
Because you love me not for my status or things I have  
Because you love me for who I am  
You let me see your love; you let me touch the sky  
Because you love me not for my beauty or my art  
Because you love me for my heart!

#### Chorus:

Your unconditional love  
Is a gift of Heaven  
Your unconditional love  
Will last forever!  
Unconditional LOVE...

#### Verse 2

You gave me more than the world; you let me look  
inside your soul  
‘Coz you love me not for my status or things I have  
‘Coz you love me for who I am  
I will never forget you; I’ll be forever grateful  
‘Coz you love me not for my beauty or my art  
‘Coz you love me for my heart!

You are the only one I truly loved  
You are my first and only knight  
You gave me love, the kind they say you cannot have  
But your love is unconditional
