[Chorus: Nicole Ray]

It's been so long (so long)

Since you've been gone (been gone)

So bring my body some heat (some heat)

To move slow to this beat (yeah, yeah)

[Ol' Dirty Bastard]

Dirt, the ol' shit, let me put my hands up your skirt

Been to you since I flirt, bet your knees get hurt

See your titties through your shirt, may I feel like Kurt

In bed, I put in work, I got a dick I'll squirt

I'm totally psyched, that this party all night

When I play the shelf, I'm fuckin' bitches, that ain't my
hype

I got ass in my sight, girl, would you now blowin' the
pipe

Jewelry, I wear, bite, I like that pussy tight!

Find my drugs in the street, stink assholes in seats

Holla at me, tweet, tweet, that's where the fucked up
feet

Banana livin' bitches, fast it itches

Unwire Gucci stitches, get grain to riches

Get off the jock!

[Hook 4X]

[Ol' Dirty Bastard]

Let this bitch, pussy switch

I'm a dog, I itch, monkey, I'm rich

Settled in Brooklyn, only let crooks in

Ghetto black pussy, yeah, I fit in

Nigga, I'm most in, party's I'm hostin'
My note to cokes in, do the front row sting
Put your hot temperature, your pussy sent ya
Over here, I pimp ya, white and black I blend ya
Dick up like a roaster, you be like whose the
My music will lose ya, you miniture
I got this microphone, pulled back and cocked
And all sperm cells get off the jock!
Get off the jock! Yeah

[Hook 4X]

[Chorus]

[Bridge: Nicole Ray]
When you play that song
We be dancin' all night long
Feelin' sexy and so free
Music takin' over me

[Hook & Bridge to the end]

[Outro: Ol' Dirty Bastard]
Hot for you, comin' soon
Dirt McGirt..
