I been watching you  
And I know you been watching me  
I saw with someone  
And I had someone at home waiting for me  
But it don't mean a damn thing  
Long as this feeling's right  
So come over here  
Creep to me girl  
Let us just  
Keep this night  
Chorus  
Just between you  
And between me  
No one else has to know  
Let's keep this thang on the down low, babe  
You  
In between me  
We'll make sweet love  
So slow between the sheets  
You're so beautiful  
And so damn fine  
I know I really don't know you  
But tonight I'll make ya mine  
I really don't mean to rush ya baby  
But we don't have much time  
So let us just get busy  
And keep this night  
Can we just keep this night

I know  
This is wrong  
But it feels  
So damn good  
Baby  
Let's do it  
All night long  
Let's keep this thang on the down low babe  
No one else has to know  
Don't - you - tell - a - soul  
Just keep this thang on the down low  
Don't - you - tell - a - soul  
Just keep this thang

On the down low  
Repeat Chorus 3Xs
