I wanna seize the day
Like it's the greatest thing that ever happened
I'm gonna shift my gears
And leave before I'm caught up in the traffic
Don't wanna hit the wall like a lumberjack
Gonna crank it up like a maniac
Cos I, I like it and I'd do it again

You can rush a car
But only if you bring it on some jingle
And if you don't confide
Cos I've been thinking better since I'm single

I took one step forward and two steps back
And was this close to a heart attack
And I, no I don't wanna do it again

I'm into
O-o-o-o-o-o-o-o-o overdrive
Yes, super
O-o-o-o-o-o-o-o-o overdrive
Life's the help of a right when the rules gonna fly
I'm into
O-o-o-o-o-o-o-o-o overdrive

I listen to only me, myself, and I
Think I just let it slide and
O-o-o-o-o-o-o-o-o overdrive

I see the birds fly high and
I take the paycheck back cos they can rep
But they will never own me

I took one step forward and two steps back
And was this close to a heart attack
And I, no I don't wanna do it again

I'm into
O-o-o-o-o-o-o-o-o overdrive
Yes, super
O-o-o-o-o-o-o-o-o overdrive

Life's the help of a right when the rules gonna fly
I'm into
O-o-o-o-o-o-o-o-o overdrive

I listen to only me, myself, and I
Think I just let it slide and
O-o-o-o-o-o-o-o-o overdrive

Trippin' all over the world
Spinnin' the Big Dipper around
Every night, and every day
I follow the lights on the road
I find me a map on the way
Figure it out, I'll figure it out

O-o-o-o-o-o-o-o-o overdrive
Yes, super
O-o-o-o-o-o-o-o-o overdrive
Life's the help of a right when the rules gonna fly
I'm into
O-o-o-o-o-o-o-o-o overdrive

I listen to only me, myself, and I
Think I just let it slide and
Trippin' all over the world
Spinnin' the Big Dipper around
Every night, and every day
I follow the lights on the road
I find me a map on the way

Think I just let it slide and
O-o-o-o-o-o-o-o-o overdrive
