I was born in '86
Left my home in late '05
Followed every dream I had
Oh, lord how I tried

Every single breath I took
Each and every way I looked
I did for love and the pure and true
I knew I would find you

My girl is all I've ever wanted
She's on my mind, baby
She's like the honey in the morning
Oh girl you so, girl you so fine

Baby I'm yours (baby I'm yours)
Baby you're mine (baby you're mine)
We're gonna stay like this till the end of time
Baby I won't (baby I won't)
Baby you need (baby you need)
So give me that love
I'll show you how life can be (life can be)

Take a piece of you and me
Of everything we used to be
Close your eyes and hold it tight
I will stay tonight

Take a picture of a dream
Make it last and you will see
Tonight I'm yours and you are mine
It will be alright

My girl is all I've ever wanted
She's on my mind (baby)
She's like the honey in the morning
Oh girl you so, girl you so fine

Baby I'm yours (baby I'm yours)
Baby you're mine (baby you're mine)
We're gonna stay like this till the end of time
Baby I won't (baby I won't)

Baby you need (baby you need)
So give me that love
I'll show you how life can be (life can be)

Oh girl you're all I've ever wanted
You're on my mind
And she's like the honey in the morning
Oh girl you so, girl you so fine

Baby I'm yours (baby I'm yours)
Baby you're mine (baby you're mine)
We're gonna stay like this till the end of time
Baby I won't (baby I won't)
Baby you need (baby you need)
So give me that love
That's how life should be (that's how life should be)

Baby I'm yours (baby I'm yours)
Baby you're mine (baby you're mine)
We're gonna stay like this till the end of time
Baby I won't (baby I won't)
Baby you need (baby you need)
So give me that love
That's how life should be (that's how life should be)
