Am I coming through  
Can't you hear me  
Crying out your name  
And don't you leave me here  
All alone  
Against a hurricane

I'm trying every frequency  
But so far there's no answer  
Just knowing there's a chance for us  
Could save me from disaster

I'm sending you an S.O.S.  
I'm sending you an S.O.S.  
I'm drowning and nobody else  
But you can rescue me  
I'm sending you an S.O.S.  
I'm sending you an S.O.S.  
Without you I'm a sinking ship  
So save me from this sea  
Of tears

Extreme emergency  
Every breath I take could be the last of me  
Your amazing grace  
Is my only hope to stop this tragedy

Don't let me come apart when you  
Could put me back together

I'm sending you an S.O.S.  
I'm sending you an S.O.S.  
I'm drowning and nobody else  
But you can rescue me  
I'm sending you an S.O.S.  
I'm sending you an S.O.S.  
Without you I'm a sinking ship  
So save me from this sea

And my breaking heart has learned a lesson  
I'll live to prove it if you let me  
Won't you let me

(Sending you an S.O.S.)  
I'm sending you an S.O.S.  
I'm sending you an S.O.S.  
I'm drowning and nobody else  
But you can rescue me  
Sending you an S.O.S.  
I'm sending you an S.O.S.  
Without you I'm a sinking ship  
So save me from this sea  
Of tears
