I was born an abuser
And still I crave for more
So I went to the doctor
To find myself a cure

If I get one I want two
Whatever's offered will never do

Cause I am clinically
Chronically, totally
Addicted to you

Like a drunk for the booze
I'm a drunk for you
And like dog for the food
I'm a dog for you

Desire's blinding my view
The doctor said there ain't much he could do

Cause I am clinically
Chronically, totally
Addicted to you

If I'm a car you're the gas that I need
If you're the gold I'm the never-ending greed
Like champagne you make my blood rush
This is not no innocent crush

Like a ship on the ocean
I set my sails for you
And like a bond for the broker
I'm going broke with you

If I get one I want two
This love is breaking and I'm falling through

Cause I am clinically
Chronically, totally
Addicted to you
I am hopelessy
Eternally, so tenderly

Addicted to you

I am totally addicted to you

To you
