You've seen her face in the magazine
She smiles for you from the TV screen
She's just so unstoppable

You've heard her name like a thousand times
Superwoman in all the storylines
She's just so unstoppable

Woah-oh-oh!
Natalie keeps coming back for more and she's out of
control
Woah-oh-oh!
And she's taking on her ever so contagious role
Natalie keeps coming back from the dead again
She's a little bit too much even for my friend
She's just so unstoppable

Spotlight's on, Natalie returns
Four, three, two, one and she's on the air
Can't stop her, impossible

You fell for her like a trick or treat
It's understood cause you can't delete
Her love files - unstoppable

Woah-oh-oh!
Natalie keeps coming back for more and she's out of
control
Woah-oh-oh!
And she's taking on her ever so contagious role
Natalie keeps coming back from the dead again
She's a little bit too much even for my friend
She's just so unstoppable

Do you feel like everyone else?
You'll follow, wherever she goes
She's something, like everyone knows

You can't stop her (you can't stop her)
You can't stop her, none of us really can
She's all overâ€¦

Woah-oh-oh!
Natalie keeps coming back for more and she's out of
control
Woah-oh-oh!
And she's taking on her ever so contagious role
Natalie keeps coming back from the dead again
She's a little bit too much even for my friend
She's just so unstoppable
She's just so unstoppable
She's just so unstoppable
