She's good looking she's so fine
A prize fighter she treads out of line
High flying girl on the run
She aint no figure of fun

Her long term friends are over and done
She wears dark glasses out of the sun
High flying girl on the run
She aint no figure of fun

Chorus
She leaves no traces wherever she's been
Fiends in high places haven't been seen>

She's a penthouse holywood queen
Papparattzi search wher she's been
High flying girl on the run
She ain't no figure of fun

She's never there whenever they call
There's no worry, she aint gonna fall
High flying girl on the run
She aint no figure of fun
