Hey Baby let's think this through, You love me but I  
don't love you  
I'll won't tell you Yes or No, I won't tell you where to Go

'Cos I just don't care  
IF you are there  
If we don't share  
No I just don't care  
But do you dare... Will you ever dare  
To Walk away, Just Walk Away...

I need no words from you at all, I will not answer when  
you call  
If I want you by me fast, Run to me Babe, it just may  
last

'Cos I just don't care  
IF you are there  
If we don't share  
No I just don't care  
But do you dare... Will you ever dare  
To Walk away, Just Walk Away...

Hey Baby let's think this through, You love me but I  
don't love you  
Don't try with love to tie me down, I'll be gone and just  
leave town

'Cos I just don't care  
IF you are there  
If we don't share  
No I just don't care  
But do you dare... Will you ever dare  
To Walk away, Just Walk Away
