Sometimes I realise

How much I love you

Sometimes I feel like

I've never been blue

Meanwhile the world is

Moving on

I think I'll take awhile

To sing this song

Sometimes sometimes

We often are

So blind so blind

Sometime sometimes

I'll find a place

Where we can stay

Safe and warm, everyday

I'll keep our love

When I'm away

I'll find a place for you

Sometimes sometmes
