Every man needs a good woman  
And I'm sure she will agree  
She's the only woman that I know  
To tame the devil in me

Every man needs a good woman  
That's the way it will always be  
She keeps me on the straight and narrow road  
To tame the devil in me

Every man needs a good woman  
Like fish that need the sea  
She takes my money and leaves me broke  
To tame the devil in me

Every man needs a good woman  
From a time when men were free  
She works me hard from dawn till night  
To tame the devil in me
