Chorus

There are things going on in my life  
That I think you should know,  
If you're gonna be my wife  
Yes you need to be aware  
If our lives we're going to share  
There are things going on in my life

Things ain't so good down on the farm  
I don't think you'll come to any harm  
The cows are doing bad with BSE  
But it ain't catching, they keep telling me

There's a thing or two wrong with the House  
What you saw last night was just a mouse  
Those Rats'll will run away  
With the first light of Day  
The old Cat's got the fleas, but he tries his best to  
please  
There a thing or two not right with the house

GUITAR SOLO

Chorus

My health ain't so good all year through  
Wet weather makes cough and splutter too  
My teeth keep falling out, and my feet have got the  
gout  
My health it aint so good, all year through

I think you oughtta know I've got no money  
Bein' Broke aint never very funny  
There's nothing I can say,  
Less you got some stacked away  
I think you oughtta know I aint got no money

GUITAR SOLO

## Closing Chorus

There are things goin on in my life  
I should've kept real quiet if I'm gonna get a wife  
She'd best be unaware  
Of the life we're gonna share  
There are things best unsaid 'bout my life
