Where the light burns a little brighter  
Where the shadows dance on the walls  
Where holy men hide their holy secrets  
The sacredness of life is sold  
Standing under gold and silver  
I see the procession rise  
Seated in his thrown of power  
He proceeds to close his eyes

They try but the stone has broken  
They try but the ceiling falls  
They try but there's no momentum  
They try but don't we all

Na, na, na, na, na, na, na, na, na, na, na, na,  
Na, na, na, na, na, na, na, na, na, na
