Rode into Jerusalem
They threw palms at His feet
Came in on a beast of burden
Proving He was meek
Claimed Him as Messiah
Hosannah save us now
Thinking Him to wear
A royal Jewish crown

I know they'll crucify Me
Keeps runnin' through My brain
I know they'll crucify Me
Father, take My pain

Went into the garden
Blood dripping as He prayed

Not My will, but Thine be done Lord
Always knowing He'd be betrayed

They nailed Him to a cross
An earthquake marked His death
Rose up like He said
Victory's won at last!

He knew they'd crucify Him
He had to bear the pain
Washed away my sins and yours
Eternal life we've surely gained
