Go go east
Go go east
Go

Too many the questions
Where answers are few
The path driving tangled
Loves destiny's truth

With hunger unwilling
A passage to choose--
The trees growing ripe
With forbidden fruit

Dance in the garden
Sing with the snakes
Inviting free will,
To repeat his mistakes
With hunger unwilling
What will you do
The trees are ripe
With forbidden fruit

Live, love, be, believe

Go go east
Go go east of Eden

Rising in the eastern sky
The sun god dances light divine
Rising in the eastern sky
The western banks below his eye

Live, love, be, believe

Stop..

Go..

(East of Eden)

With hunger unwilling
A passage to choose
The trees are ripe
With forbidden fruit

Live, love, be, believe
