Here comes the rain again
Falling on my head like a memory
Here comes the rain again
Tearing me apart like a new emotion
I want to walk in the open winds
I want to talk like lovers do
I want to dive into your ocean
Is it raining with you?

Baby, talk to me
Like lovers do
Walk with me
Like lovers do
Talk to me
Like lovers do

Here comes the rain again
Falling on my head like a memory
Here comes the rain again
Tearing me apart like a new emotion
I want to walk in the open winds
I want to talk like lovers do
I want to dive into your ocean
Is it raining with you?

Baby, talk to me
Like lovers do
Walk with me
Like lovers do
Talk to me
Like lovers do

(Sometimes I just need you to hold me)

Baby, talk to me
Like lovers do
Walk with me
Like lovers do
Talk to me
Like lovers do
