You don't even know me  
You can't even see me  
Friendly of the daylight  
Now I'm back, now I'm back again

Don't be scared, baby  
Can't you see I'm thirsty?  
Friends of the daylight  
Let me drink, let me drink, my friend

Don't be scared, baby  
Don't be afraid  
Friends of the daylight  
And I'm back and I'm back again

Never going nowhere  
You can't run from me  
Day and night, baby  
Can I drink, can I drink again?

Yeah, yeah, yeah, yeah, yeah  
Can we drink, can we drink, my friend?

Don't be scared, baby  
Don't be scared, baby  
Can't you see I'm thirsty?  
And I'm back and I'm back, again

What, first things first, man, you can't fight the curse  
You can't call the doctor, you can't call the nurse  
You got that Louie Loco on the side of your purse  
And those tight mint sixties about to make me burst

I can't think, let me sink into your jugular  
Come have a drink with the thirsty love guzzler  
From the dark side, baby, don't be afraid  
You can't fight the thirst nor escape the Blade

I'm been scopin' ya, hopin' you be open to  
Take a sip, of the potion 'cause it's overdue  
It's not your ordinary, it's a special brew

In the heat of the night, I will rescue you

Never going nowhere  
You can't run from me  
Day and night, baby  
Can I drink, can I drink again?

Yeah, yeah, yeah, yeah, yeah  
Can we drink, can we drink, my friend?

Don't be scared, baby  
Don't be scared, baby  
Can't you see I'm thirsty?  
And I'm back and I'm back, again

Allow me a parting gift, to remember this  
Sooner or later, the thirst, always drink

Yeah, yeah, and I'm back and I'm back again  
Live, live back again
