The man of Ea am I  
The mand of Dakima am I  
The messenger of Markuk am I  
My spell is the spell of Ea

My incantation is the incantaion of Marduk  
The circle of Ea is in my hand  
The Tamarisk, The powerfull weapon of Anu  
In my hand I hold.... Incantation  
In my hand I hold.... Incantation

He that stilleth all the to rest, that pacifieth all  
By whose incantation everything is at peace  
He is the great lord Ea  
Stilleth all to rest, and pacifying all  
By whose incantation everything is at peace  
When I draw night unto the sick man  
All shall be assuaged  
I am the magician born of Eridu  
Solo Christian

Begotten in Eridu and Subari  
When I draw night unto the sick man  
Oh, My Ea... King of the deep, safeguard me!

Solo Tore

Incantation  
Noitatnacni

Unto the house, on entering  
Samas is before me  
Sin is behind me  
Nergal at my right hand  
Ninib at my left hand

When I draw night unto the sick man  
When I lay my hand on the head of the sick man  
May a kindly spirit, a guardian stand...  
At my side.... Stand at my side

Solo Christian

Incantation
