"Long Way From Home"

May you be safe from all harm and danger
A long way from home
May You enjoy the angels' protection
when you're on the road

May you know love is always your haven
A long way from home
May you be brave and always remember
That you're not alone

Life has this funny way to change
Don't you ever be afraid
When the time has come to let go...Â...Â...Â...Â....

May you be light in times of darkness
Me you be free
And dance away sadness
A long way from home
A long way from home
