Verse 1:

Who am I to you?
Where do we stand? Are you my man?
You told me you were through
And you were leaving her, for me.
But it doesn't seem that way
We made plans some time ago
Keep putting me on hold
And on top of all this mess
Word is getting back to me
You never claimed me

Chorus:

Ain't what I heard... you said you loved me December
It ain't what I heard... you said you loved me December,
I remember

Verse 2:

These comments say the dates
Say I'm the one you love
And it's all a big mistake
And I don't wanna play the fool
I've given up a lot of me, for you (wooooo)
How can you let this be?
How can you not defend me?
Are my eyes deceiving me? (nooooo)
Is there a possibility
Is it true, what they're saying?
I won't believe it

Chorus:

Ain't what I heard... you said you loved me December
Ohhhh, It ain't what I heard... you said you loved me
December, I remember
So it ain't what I heard... you said you loved me
December
Ohhhh, It ain't what I heard... you said you loved me
December, I remember

Bridge:

Who am I to... who am I to you

Did I ever, mean a thing?
I trust-ed you, I was such a fool
Though you never meant one word you said
Though I don't believe it
How could you erase me?
All the promises that wasted time
No I don't believe it
You said that you needed me
Then you turn right around and just lied

Chorus:

So it ain't what I heard... you said you loved me
December
Ohhhh, It ain't what I heard... you said you loved me
December, I remember
So it ain't what I heard... you said you loved me
December
Ohhhh, It ain't what I heard... you said you loved me
December, I remember

Ahhhh, ahhhh... love me, December
Ahhhh, ahhhh... baby I remember
