[Verse1: Olivia]

I feel so lost
This emptiness deep inside me
U might as well just stay with her
Did you lay with her?
'Cause wherever you were
You sure ain't thinking 'bout me
I've been spinning around
Thinking about our love
And so far you hurt me babe ooh
You've been messin' around
And lettin' me down
Simple lies and alibies
If you walk out the door you should...

[Chorus:]

[Chorus1: Olivia]

Just look around
And see that she ain't me
And she'll never be

[Chorus2: Jimmy]

Take a look around
And know that you're lettin' go
The best love you'll ever know

[Verse2: Jimmy]

It's just those simple things
Like Jealousy, houndin' me
Accusing me of things
I never did yea
And Thursday you're so in love
Then Friday comes you flip again
Tell me does the drama ever end?
I've been spinnin' around
Thinking about our love
And so far it's crazy
And you keep on talking about
I'm messing around
I cheated you, mistreated you

There's nothing in the world for you I won't do
Just look around...

[Chorus2: Jimmy]
Take a look around
And know that you're lettin' go
The best love you'll ever know

[Chorus1: Olivia]
Just look around
And see that she ain't me
And she'll never be

[Verse3: Olivia]
Look around

[Jimmy:]
Look around and realize
I been good to you
You can't believe every little thing
That your friends be tellin' you
Your friends be tellin' you

[Olivia:]
Looked around and what I find
You ain't here with me see
You lied before and you lied some more
It's clear to see
[Both] Just look around yea

[Chorus1: Olivia]
Just look around
And see that she ain't me
And she'll never be

[Chorus2: Jimmy]
Take a look around
And know that you're lettin' go
The best love you'll ever know

[Over chorus]
[Olivia]
Look around and think about it
That girl ain't me
You're trying my patience baby
This is your last chance

[Jimmy:]
Look around and think about
The things that you said
'Cause I don't deserve

To be talked to this way

[Olivia:]

Look around and think about it
That girl ain't me I won't be gone
If you keep mistreatin' me oh yea

[Jimmy:]

Look around and think about it
Get it out of your mind
If I waned her, why am I by your side?
