(Intro)

Ohhâ€¦ ah, ha

Yeahâ€¦ ah, haâ€¦ mmm

(Verse 1)

Summertime

Outside

Makin' love while the rain is fallin'

Touch me, gently

You know me, don't care who's watchin'

All day, all night, close your eyes & find my body

Whisper to me that you want it

(Bridge)

Baby, baby

Heart be pounding when you near me

Feel so weak I need you wit' me

When I think of sexy, I think of you

(Chorus)

Wanna know can you keep it up

Cause tonight I'm fellin oh so sexy

In the mood for makin' love

Wide open, look at how you got me

Can't wait 'til I get ya home

Need to feel your body wrapped around me

Gotta know can you keep it up

Cause tonight I'm feelin' oh so sexy

(Verse 2)

Let go, let love, you want it so don't try to fight it

It's just you, it's just us, that's the way I know you like it

Slowly, so deep, boy look what you up & started

Don't you even think of stoppin'

(Bridge)

(Chorus)

(Bridge 2)

Just as soon as we hit the door

Our close are off & on the floor  
I can't help feelin' the way I do, about you  
My neck, my back, I'm sick & red  
Don't think we'll make it to the bed  
Can't help it, I get off on you

(Chorus 3X)
