I no it can't be real
This must be a dream
I open up my eye to found
That your not here with me
So I tell myself that it's not the
End I just can't take the thought
Im never holding u again

Remember all those times
I held u when u cried (cried)
Somehow we turned them tears to laughter
I have to wonder why u never said goodbye
So many questions still unanswered (whoa)

Im broken it's my turn to cry, but im wondering
Who will bring me flowers this time (ooooh whoa)
It my turn to cry, but im wondering
Who will bring me flowers this time (this time yeahha)

Took ya photographs put them all away
Cause it hurt so bad every time I see ya face
But in the middle of the night
I sit up in my bed
I just can't erase the picture of you in my head
No matter how I try to put the past behind (ooh yeah
yeah
There's no happy ending after)
I have to wonder why u never (no no no)
Said goodbye
So many questions still unanswered (ooh)

Im broken it's my turn to cry, but im wondering
Who will bring me flowers this time (ooooh whoa)
It my turn to cry, but im wondering (wondering)
Who will bring me flowers this time (who bring me
flowers this time yeah yeah)

I can't sleep, feel weak in feel with me why u have to
Go away lonely I miss you

Im broken it's my turn to cry, but im wondering

(whoaaaaa)

Who will bring me flowers this time (flowers no whoa)

It my turn to cry, but im wondering (wondering)

Im broken it's my turn to cry, but im wondering (oh
yeah) (wondering)

Who will bring me flowers this time (who bring me
flowers)

It my turn to cry, but im wondering (now it's my turn cry
my turn to cry)
