Yeah
It's my tape man
Listen to my tape

{I've waited, I've waited
Time went by, yeah
All I did was cry
Silly}

Woo, if I was your best friend, I'd want you 'round all
the time
(I'd want you 'round me all the time)
Could I be your best friend, if you'll promise you'll be
mine?
(Girl promise you'll be mine)
Please say he's just a friend
(Uh huh)
Now girl let's not pretend
(Come on)
Either he is or he ain't your man
(Ha ha!)
Please say he's just a friend
If I was your best friend

First we get to talkin', then we get to touchin'
If we get passed the phone games we'll be *****
I kiss like the French do put my tongue in your ear
Do it like the dogs do it girl and pull on your hair

For me a different scenery just means a different
position
In the tub or on the sink I improvise now listen
In the chopper or on the jet join the mile high club
I'm no fool I know money can't buy me love, ha ha

You said that I could call you
Whenever I needed some one to listen to me
That's why I'm here standing by your side
~Cause you're always come thru for me

So many others tried to be where you are
But they just wanted to do me

But you took your time and now I'm satisfied
That's why I want you all to me

'Cause if you were my best friend
I'd want you 'round all the time
(I'd want you 'round me baby)
Could I be your best friend? I promise boy you'll be
mine
(Ooh baby be mine)
I said he's just a friend, baby it's not pretend
Either he is or he ain't my man
I said he's just a friend

If I was your best friend, I'd want you 'round all the time
(I'd want you 'round me all the time)
Could I be your best friend, if you'll promise you'll be
mine?
(Girl promise you'll be mine)
Please say he's just a friend
(Uh huh)
Now girl let's not pretend
(Come on)
Either he is or he ain't your man
(Ha ha!)
Please say he's just a friend
If I was your best friend

While you in your bubble bath, I'll come wash on your
back
When you puttin' on your lotion I can help you with that
I sit and think of things to say that may make you smile
Or give you gifts from the heart to reflect my style

The slang I use when we build may change how you
talk
And if I'm focused when I'm strokin' I could change how
you walk
There's the swagger that you come with when you
come from New York
I'm a hustler I just hustle in the things that I bought
Separatin', c'mon

I'm not afraid, you explore my body
Ooh give me that feeling
Now we can watch some TV or play a CD
Maybe that Sexual Healing

You try to sing to me, you're never on the key
But you do it just to appease me
I'd rather spend my time wasting time with you
Ooh you make it so easy

'Cause if you were my best friend
I'd want you 'round all the time
(I'd want you 'round all the time)
Could I be your best friend? I promise boy you'll be
mine
(Please baby be mine, yeah)
I said he's just a friend, baby it's not pretend
(Ooh, no baby)
Either he is or he ain't my man
(No)
I said he's just a friend

We been better than friends for a long time
Ain't no need to pretend, you'll always be mine
We been better than friends for a long time
Ain't no fibbing or faking, you'll always be mine

If I was your best friend, I'd want you 'round all the time
(I'd want you 'round me all the time)
Could I be your best friend, if you'll promise you'll be
mine?
(Girl promise you'll be mine)
Please say he's just a friend
(Uh huh)
Now girl let's not pretend
(Come on)

Either he is or he ain't your man
(Ha ha!)
Please say he's just a friend
If I was your best friend
