Yuuga ni odoru in a mukizu no diamond  
Where it protects her

Namida to pink marigold dreams  
Hazama de mogaku kanojo wa  
Taiyou wo furimukaseru  
It lights the stage for her

Ballerina  
Show them who you are  
Ballerina  
Show them who you are

You have been waiting for this  
Isn't tis what you wanted?  
Why are you crying?

Genjitsu to glass oil paintings  
Aida de ikiru kanojo wo  
Daremo rikai shiyō to shinai  
They are afraid of change

Ballerina  
Show them who you are  
Ballerina  
Show them who you are

Namida to pink marigold dreams  
Hazama de mogaku kanojo wa  
Taiyou wo furimukaseru  
It lights the stage for her

Ballerina  
Show them who you are  
Ballerina  
Show them who you are
