Crashing contour
China luna
Syncro halo
Make me tingle

I know that i was dragging you
Through unknown places
But you have to trust me my love,
Cause in my heart there's only you

Now i know the rain is gone
To a far off land
Now i want to bring you in
Towards the wishing well
Gotta make a wish now

I'm no warrior
Bless you candy

I know that i was dragging you
Through unknown places
But you have to trust me my love,
Cause in my heart there's only you

Now i know the rain is gone
To a far off land
Now i want to bring you in
Towards the wishing well
Gotta make a wish now

Now i know the rain is gone
To a far off land
Now i want to bring you in
Towards the wishing well
Gotta make a wish now

I know that i was dragging you
Through unknown places
But you have to trust me my love,
Cause in my heart there's only you

I know that i was dragging you
Through unknown places
But you have to trust me my love,
Cause in my heart there's only you
