Darling, I'm eager  
To know of your everlasting beam  
My melancholy drama has  
Ultimately puzzled me  
What is it that you do  
That makes you the way you are?  
I keep my eye on you  
Watch what you do

Explode!  
The ground begins to tremble  
Everybody's screaming  
No matter how chaotic  
You always come to show me

Collect sparkles  
In a catastrophe all you can is a shine  
You pick it up  
Collect sparkles  
You find them everywhere  
They're recognized by you  
Giving your love to them

Catch a sparkle  
Before you let a flaw  
Steal this wondrous moment  
Walls close in on you  
[ Olivia Lyrics are found on ]  
It's easy getting caught into  
But when you let them get to you  
You'll only see  
One in a million things

Shame!  
That you could strip yourself from this  
Luscious universe  
Wake yourself to this  
Immense luxury

Collect sparkles  
I put them in my pocket

They melt into me  
Feeding me shine  
Collect sparkles  
Twinkle in my eye and back to the origin  
Carrying my heart to

Collect sparkles  
In a catastrophe all you can see is shine  
You pick it up  
Collect sparkles  
You find them everywhere  
They're recognized by you  
Giving your love to them
