It is telling me that  
I can not escape  
It is telling me that  
I can not forget  
Just like a broken record, repeating it to me  
You're getting my attention  
It makes me weary

Oh you're so strong  
You get stronger when I,  
Stronger when I believe you

Cut me free memorizing monster  
Cut me free memorizing monster  
Cut me free memorizing monster  
Cut me free memorizing monster

It is telling me that  
I am gonna choke  
It is telling me that  
I am strange  
Just like a broken record, repeating it to me  
Comparing always comparing  
I can't take it

You live off my compassion  
I am the one  
That keeps you alive  
I feel you pull me under  
Fall into your trap  
Now you're taking control of me

Cut me free memorizing monster  
Cut me free memorizing monster  
Cut me free memorizing monster  
Cut me free memorizing monster

When you fall asleep  
The ropes come undone  
I feel the wind hit my face  
If only I can be here all the time
