Toori sugiru jikan no soto de kaeru michi mo ashiato
mo nai
Yume no naka ni utsuru egao to kasunde iku ashita no
kage

Escape the Flames watashi ni kuzure ochiru
Escape the Flames I can feel frozen sparkles flicker
down on me
Get away! Can't you see what's happening to me?
Escape the Flames tooku e watashi wo tsuresatte

Motometa yasuragi mo yurusarezu inori wa kono te wo
suberi ochiru
Jibun no kage wa doko ni mo naku kodoku ga watashi
wo yakitsukusu

Escape the Flames karami tsuku jikan no naka
Escape the Flames Deludingly taking piece by piece
away
Burn away I'm in flames, It's too late
Escape the Flames mou watashi wa doko ni mo nai
