So Beautiful

Suddenly I decided to get up and run
I started to run and run and run
I jumped over little ant-holes
I jumped over flowers, I jumped over trees,
jumped over color, Jumped over people smiling at me

I jumped over March, April, May
I jumped over Autumn I ran past the warmth
I ran through his arms
I ran past a girl waving her hand at me
I ran and ran passing everything in front of me
I jumped over ability I jumped over my own heart
Jumped Mexico, jumped the clouds,
jumped the moon, jumped the stars,
jumped mars, jumped the truth

Darker & Darker & Darker
The cold wind was sneaking inside of me
I didn't know if I was running away from me
I couldn't see anything I couldn't feel anything. no ~
My hands were pulling on my legs
The sticky mud was sucking them down
I couldn't stop, I had to have the Queen Crown
