When I see your eyes suikomareru
Nandemo ieru, say everything
Anata ni kansya Living in castles as kings
Suika no tsubasa growing nectarine wings
Hikari no hayasa de skipping rope like kids
Rolling in the grass aka wain & jazz
Mugen no kouen futari mattari
Just chillin' like native americans
Ano toki no sora no aura
I know what you're thinking

Once you were my inca prince
Omoidashita ano toki no kiss
Once you were my egyptian queen
Omoidashita ano toki no dream

Anata ga mayou watashi mitsukeru
Anata to iru to jibun aiseru
When you've lost your way
I'll find you
When I'm with you always
I love myself

Once you were my son
Omoidashita himawari in the sun
You are the moon
Omoidashita ano issyun

Once you passed me by
Je me souviens de
Tu as sauvÃ© moi
L'intention de mon Ã¢me
Cette une synchronicitÃ©

Anata ga mayou watashi mitsukeru
Anata ga iru to jibun aiseru
When you've lost your way
I'll find you
When I'm with you always
I love myself

I'll find you
Find me too
