"Starless Night"

Visit "[Starless Night](#)" on MotoLyrics.com

I reached into the sky
Omoi wa todokanakute
Chiisaku sora ni kieta
Irotoridori no fuusen

I'm alone
Ikisaki no nai watashi no te wo
Sotto tsunaide kureta

Starless night kako no kage furi kaeranai
Kanjitai anata no nukumori
Tears are falling down mayotte mo hanashi wa shinai
Tsunaida anata no te wo

Sometimes we fall apart
Okubyou ni natte shimau kedo
Kitto hito wa soko kara nanika wo mitsuke daseru hazu

Take my hand
Moroku fukanzen na futari dakara
Zutto te wo tsunaide iru

Starless night kuchibiru ga yowane haite mo
Shinjitai anata no nukumori
Endless love mujun sae aiseteru no wa
You are my shining star

Starless night kako no kage furi kaeranai
Kanjitai anata no nukumori
Tears falling down mayotte mo hanashi wa shinai
Tsunaida anata wo

Starless night kuchibiru ga yowane haite mo
Shinjitai anata no nukumori
Endless love mujun sae aiseteru no wa
You are my shining star

You are my shining star
