Monouge na kimi, hitomi ni utsuru hoshi  
Matataki haruka tooi, iku kounen no namida

Come be as one  
Come be as one  
And fall in love  
In love, in love, in love

Touch it touch it now  
Touch the tears & the rainbow  
Kako ni te ni haireru monosashi wa mou sutete  
Touch it touch it now  
Touch the tears & the rainbow  
Ai no mama kanjite

Ame no sasayaki, mimi wo katamukete  
Soko ni kakusareta, nanairo no himitsu

Come be as one  
Come be as one  
And fall in love  
In love, in love, in love

Touch it touch it now  
Touch the tears & the rainbow  
Niji no naka ame ga taiyou ni kuchidzuku  
Touch it touch it now  
Touch the tears & the rainbow  
Just the way you are
