### "Alfie"

What's it all about, Alfie  
Is it just for the moment we live  
What's it all about when you sort it out, Alfie  
Are we meant to take more then we give  
Or are we meant to be kind and live only for the kind,  
Alfie

Then I guess it is wise to be cruel  
If love comes only to the strong, Alfie  
What will you lend on an old golden rule as sure as I  
believe  
There's a heaven above, Alfie

I know there's something much more  
Something even unbelievers can believe in  
I believe in love, Alfie  
Without true love, we just exist, Alfie

Until you find the love you've missed, your nothing,  
Alfie

When you walk let your heart lead the way  
And you'll find love anyday, Alfie  
Oh, Alfie.... Mmmmmm Alfie.....
