### "Angel In The Wings"

(with Jann Arden)

*[Olivia Newton-John:]* I know it's been a long time now;  
you've been hanging at the end of your rope.

*[Jann Arden:]* I know that you've been strong somehow,  
but now you're down to your last tray of hope.

*[ONJ:]* There are some things only your heart can see

*[JA:]* There are some things that you've got to believe

*[Both:]* Look over your shoulder,

*[ONJ:]* There's an angel in the wings

*[JA:]* Angel in the wings)

*[Both:]* The good times and hard times,

*[ONJ:]* There's an angel in the wings

*[JA:]* Angel in the wings)

*[ONJ:]* I know that you've been drifting at sea. Sailing on  
that ocean of tears

*[JA:]* It's time for you to come back to me

*[Both:]* Baby, that's why my love is here

*[ONJ:]* There are sometimes we want to be on our own

*[JA:]* There are some times when it's time to come  
home

*[Both:]* Look over your shoulder,

*[ONJ:]* There's an angel in the wings

*[JA:]* Angel in the wings)

*[Both:]* The good times and hard times,

*[ONJ:]* There's an angel in the wings

*[JA:]* Angel in the wings)

*[JA:]* I see it, oh I feel it

*[ONJ:]* There's an angel in the wings

*[JA:]* Angel in the wings)

*[ONJ:]* So don't give up

*[JA:]* Don' give up)

*[ONJ:]* No don't give in, there's an angel

*[JA:]* Angel in the wings)

*[JA:]* Oh I feel it, angel in the wings...

*[ONJ:]* I know it's been a long time now; you've been  
hanging at the end of your rope.
