There's four words on the tip of my tongue  
That I wouldn't say to just anyone  
Maybe I'm crazy to say them to you  
My heart's fighting  
Sweet temptations since you sparked my imagination  
Baby, baby, I'm bad about you

Trying hard to keep control  
And tell you more than you need to know  
Anything to keep my cool, tow the line not break the  
rules  
I've been good for most of my life  
But you could change all that tonight  
Baby, baby, I'm bad about you
