I know it's over
You know it's over
We're just going through the motions
But we're sailing separate oceans world's apart
And you know it's breaking my heart

I was a dreamer
You were a dreamer
But perfection is consuming
And it seems we're only human after all
And we've both been taking the fall

But tomorrow
We'll run a little bit faster
Tomorrow
We're gonna find what we're after at last

Feelings that we left in the past
There's romance in the sunset
We're boats against the current to the end

Maybe were older
And maybe were colder
So we disregard solutions
While we cling to our illusions once again
And we keep remembering when

Seasons are changing
Oh, my reasons are changing
But the story isn't ending
So we find ourselves pretending one more day
And the years keep slipping away

But tomorrow
We'll run a little bit faster
Tomorrow
We're gonna find what we're after at last

Feelings that we left in the past
There's romance in the sunset
We're boats against the current to the end

But tomorrow
We'll run a little bit faster
Tomorrow
We're gonna find what we're after at last

Feelings that we left in the past
There's romance in the sunset
We're boats against the current to the end

Romance in the sunset
We're boats against the current to the end
To the end
