I saw the light but it was too late, too late  
I wanted to fight but it was too great  
Too great to fight it

Guess Iâ€™m loving on borrowed time  
Didnâ€™t know that you could not be mine  
Iâ€™m the fool, I guess  
Iâ€™m the fool, I guess

I started to cry but I was cried out, cried out  
Cos you opened my eyes, but with the light out  
I couldnâ€™t see it

Guess Iâ€™m loving on borrowed time  
Didnâ€™t know that you could not be mine  
Iâ€™m the fool, I guess  
Iâ€™m the fool, I guess

I begged you to leave her but it was too late, too late  
Cos though you have deceived her, you knew that  
sheâ€™d wait  
Sheâ€™d wait forever

Guess Iâ€™m loving on borrowed time  
Didnâ€™t know that you could not be mine  
Iâ€™m the fool, I guess  
Oh baby

Guess Iâ€™m loving on borrowed time  
Didnâ€™t know that you could not be mine  
Iâ€™m the fool, I guess  
Iâ€™m the fool, I guess  
Oh baby, Iâ€™m the fool, I guess  
Oh honey, Iâ€™m the fool, I guess
